Tips to put your PTA Awards Application on TOP!

6. Pay special attention to page or word limits.
7. Please provide the correct full local unit PTA name as it is listed on your approved Bylaws (no abbreviations)
8. Give an appropriate title for all awards.
9. Describe how the program promotes PTA mission and purpose. Consider referring to the National PTA Standards for Parent/Family Involvement.

13. Include all requested application information.
14. REMEMBER DEADLINES! Late applications will not be accepted.
15. Start at the beginning of the year and keep a history or record of everything your PTA does. This will make it much easier to complete award applications at the end of the year. You may discover that your PTA did much more during the year than you realized!
16. Be creative and submit your applications after an event is completed; and don't miss the **May 1st** deadline!

Your PTA/PTSA can create its own unique awards!

Consider developing awards to recognize groups or individuals in your own community. It is an opportunity to increase awareness of PTA and PTA programs in the school community and may have a positive impact on PTA membership or participation. It does not necessarily require a large expense. It is an opportunity to highlight events or individuals and is a great way to say thank you!

Consider adding an Awards Chair and Awards Committee to the board to support this effort!
